Five more options, followed by practical planning notes.

6

L'As du Fallafel / Le Marais

A convenient option to investigate while exploring this neighbourhood.

7

Breizh Cafe / Le Marais

Often discussed by visitors; reserve ahead when your travel dates are fixed.

8

Pink Mamma / Pigalle

A good candidate for balancing classic favourites with newer city experiences.

9

Frenchie / Sentier

Check opening days and transport before building it into an evening plan.

10

Le Comptoir du Relais / Saint-Germain

A final varied option for comparing style, budget and location across the city.

SMART PLANNING

Restaurant details change frequently. Check the venue's own website, current reviews, allergens, cancellation terms and dress expectations. Group reservations by neighbourhood to reduce travel time. This sequence is not a quality ranking.
